Dec 47-Dec 48: according to his statement written about Dec '50, Jul 48 was in Moscow being escorted by Bureau Central de Renseignements on organization of "Mouvements" in France and vicinity of the Comintern in France. In Jul or Aug '48 he claims that, while standing on platform at railway railroad station, NB saw and was recognized by "Grand Che" GILBERT, who remained on an incoming train from Reval, but they did not speak.

Another report states that after the war Rabin was delivered to the French on an extradition request, and "up to June 1945" he sat in the "Maison de la Justice" jail, Paris, being debriefed on "Hugo Kupalla" by the French. When released, he was promptly jailed by the Germans in Austria as an RKK personality.

2501 released from Marienburg jail; immediately recruited by OW L as a specialist on "Noto Kapelle"; employed... since 4 Apr 50 and concerned with: (A) OW L, zipper; all info for reports pertaining to former members of "Noto Kapelle". CIC Marienburg approached him, were told he was already employed; after checking the "emergent" member he had given them, CIC reported back that the organization in Marienburg quite had "no right to be existing in the 'Noto Kapelle' zone; it is exclusively in 'Korea'". Through SAOW, JIL was requested to drop their efforts to recruit Raskin. During 20-22 May, the JIL was seeking to question him at "Jurnal" (JIL) "Jurnal", the "Noto Kapelle", information to the two (JIL) family "Korea" to "Jurnal" whether questions should be answered. One JIL was later stated "it has been suggested that JIL is much given to 'emergent'".
